

Your Support

This evening is a Thank You to all those who assisted our troop in its early years, and a way to continue the support of this worthwhile cause. The proceeds of the evening will help to defray the costs of our camps as well as going towards scouts supplies. It will support the participation of our scouts in annual training programs, the summer leadership camp in Fillmore, and the Homecoming trip to Hungary for our new patrol leaders (ÖV-körút).

Please consider a donation in one of the following categories:

Supporter	Donor	Benefactor	Patron

About the Gábor Bodnár Scout Troop

Our troop was named after Mr. Gábor Bodnár, one of the founding fathers of Hungarian scouting in exteris. His extensive work is the basis of the scout work we do in our troop today. We remember him on the 15th anniversary of his passing and our troop would like to dedicate this Ball to his memory.

Though our troop is fairly young, Hungarian Scouting is not new to Boston. In the 1970s a troop named after Cout István Tisza enjoyed some years of success. A quarter of a century later, a new group of enthusiastic parents and scout leaders worked to restart the scouting program. Thanks to their efforts, the troop was soon officially accepted by the Hungarian Scout Association in Exteris and given the prestigious troop number 2- a number second in value only to that of the executive leaders of the Association. Today, the troop has grown to become a vital presence in the local Hungarian community. More than eighty scouts, organized into 12 patrols, participate in biweekly meetings, led by a core group of mostly locally-trained junior and senior leaders. Our troop, the Kettesek, is a mixed boys-girls troop, with members coming from four different states. We are continually strengthening our ties with the local Hungarian community and with regional centers of scouting activity, hosting and participating in activities with scouts from New York, Garfield, New Brunswick, Washington, and Montreal.
